**Case No. XD-2005-0454**

**ORDER CANCELING CERTIFICATE OF SERVICE AUTHORITY**

Issue Date: June 24, 2005

Effective Date: July 4, 2005

On May 31, 2005, the Staff of the Missouri Public Service Commission filed a motion to cancel the certificate of service authority of CoreComm Missouri, Inc. Staff states that the company was granted a certificate to provide intrastate interexchange telecommunications service in February of 2000, in Case No. TA-2000-391.

Staff further states that the company is no longer providing telecommunications services in Missouri and has requested, by letter, that its certificate be cancelled.

Section 392.410.5 RSMo (Supp. 2004) states that “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing . . . .” The Commission has reviewed the application and the official file and finds that the certificate of service authority granted to CoreComm in Case No. TA-2000-391 should be canceled. The Commission also finds that the company’s tariff, P.S.C. Mo. No. 1, should also be canceled.

**IT IS THEREFORE ORDERED:**

1. That the certificate of service authority granted to CoreComm Missouri, Inc., in Case No. TA-2000-391 is canceled.

2. That CoreComm Missouri, Inc.'s tariff, P.S.C. MO No. 1, is canceled.
3. That this order shall become effective on July 4, 2005.
4. That this case may be closed on July 5, 2005.
